KENDOCON 2023

Greetings from the Professional Association of Clinical Endocrinologists (PACE), the official association of Endocrinologists in the state of Kerala, India. KENDOCON is the annual conference of PACE and one of India's most sought-after endocrine conferences. We, the organising committee of KENDOCON, are pleased to invite you to KENDOCON 2023, which will be held as a physical meeting on December 3, 2023, at Le Méridien Kochi. Every KENDOCON provides the attendees with the unique opportunity to learn about the latest in clinical endocrinology from reputed clinicians and endocrinologists from across the nation. KENDOCON 2023 will have sessions by reputed International, National and State Faculty.

- >> Virtual plenary sessions by international speakers
- >> Symposia diving into topics from nearly every major therapeutic area of endocrinology and diabetes
- >> Meet the Professor session
- >> Enthralling case-based discussions
- >> Engaging debate
- >> A platform for Oral Presentations and e -Posters for postgraduate trainees and clinicians with over Rs 1,00,000/- as prize money for the winners.

We look forward to an engaging participation from everyone and hope that the meeting will turn out to be a great forum for exchange of ideas.
